

FABI DONATES BICYCLES TO N'WA-VANGANI PRIMARY SCHOOL

The DST-NRF Centre of Excellence in Tree Health Biotechnology (CTHB) Outreach Team handed over five bicycles to learners from the N'wa-Vangani Primary School for their outstanding academic achievements on 18 October. These bicycles were a donation from the Forestry and Agricultural Biotechnology Institute (FABI) as an award for the top five learners in Grades 4 to 6. The recipients, Ramanyimi Tshifhiwa and Chabalala Nyeleti (both Gr.4), Makhubele Tshiamo, Ndlovu Trevor (both Gr. 5) and Chauke Gontse (Gr. 6) achieved an average of between 77-87%. This donation encouraged the rest of the learners to continue to work hard and stay focused.
