

TWO FABIANS AWARDED THE BEST PRESENTATION AT THE ZOOLOGY AGM

The University of Pretoria's Department of Zoology and Entomology held its annual general meeting on 28 and 29 November. At this meeting, Honours, MSc and PhD student are invited to talk about their research. This year, the best MSc presentation was awarded to Christoff Joubert and the best PhD presentation went to Quentin Guignard – both students in FABI. The universal ranking by academic performance ranked the Department of Zoology and Entomology as the top institute for these fields in Africa for 2018-19. Having FABIans recognised by this highly-ranked institution demonstrates how excellent the research quality is in FABI.
